### NEW THIS YEAR

We will be having a short informational meeting for seasonal campers. There are several dates to choose from, you only have to attend one.

At this meeting we will go over new seasonal updates, upcoming special weekends, answer camp questions and most import you will receive your seasonal security gate code and car pass.

We are resetting all camper gate codes. Seasonal sites will be issued a new code for the 2022 season. If you have a remote for the security gate you will need to turn it into the office to be reset. If you are interested in a remote there is a \$40 cash deposit for each one that will be refunded when the remote has been returned to the office. We do not keep a stock of the remotes. Contact the office to have your site placed on the order list. We will place an order on May 23rd.
